How to calculate rate?

Price per Night = N°. of people + vehicles + electricity, etc ...

$$\begin{aligned}
 & \text{Person} + \text{Motorhome} + \text{5 AMP} + \text{Dog} = 30.-\text{€/night}^* \\
 & \text{Person} + \text{Car} + \text{Motorhome} + \text{Dog} = \text{5 AMP} = 34.-\text{€/night}^*
 \end{aligned}$$

* Depending on the number of nights, the discount, corresponding to the stay, applies
